Jordan Valley - Wed 6-8pm (\$35 for the League & \$5 per week)

Other information: UtahRacquetball.org

Tournament Etiquette

Suggestions to Improve Your Tournament Experience

Be on time – You should try to arrive 45 mins to 1 hour prior to the start time of your match. This will enable the tournament staff to get you on a court early if they are running ahead. At minimum, you need to check in 15 mins prior to your start time.

Be ready to play – You need to be ready to play at your start time. You should have your shoes on, stretched and any other pre-match ritual completed. People not ready to play are a main cause of tournaments running behind. Once you are assigned to a court, your warm-up should be completed within 5-10 mins and the match should begin promptly.

Referee if you win – If you win your match, you need to referee the next match. If you can't stay and referee, it is your responsibility to find a replacement.

Play all your matches including consolation and 3rd place matches – Consolation matches is how player who lose their first match get to play a second match. Many players count on these matches to get playing time and to improve their game. Third place matches will be recorded as a lose if you don't show-up. If you are NOT going to play a scheduled match, be courteous and notify the tournament desk that you are not going to play. This will prevent your opponent from showing up for a match that will not be played.

Finally, be a good sport and have fun!

Rules in a Pinch (USRA.org)

Rule 3.5 - Delays

Except as noted in Rule 3.5 (b), the referee may call a technical foul for delays exceeding 10 seconds.

(a) The 10-second rule applies to the server and receiver simultaneously. Concurrently, they are allowed up to 10 seconds after the score is called to serve or be ready to receive. It is the server's responsibility to look and be certain the receiver is ready. If a receiver is not ready, they must signal by raising the racquet above the head or completely turning the back to the server. (These are the only two acceptable signals.)

(b) Serving while the receiving player/team is signaling "not ready" is a fault serve.

(c) After the score is called, if the server looks at the receiver and the receiver is not signaling "not ready", the server may then serve. If the receiver attempts to signal "not ready" after that point, the signal shall not be acknowledged and the serve becomes legal.

September Tournament Results Congratulations to All the Winners

Fall Opener Tournament September 7-10, 2011

Marv Jensen & JL Sorensen Recreation Centers

Men's Open – Andrew Gale def Cole Burr
 Men's Elite – Steve Bohman def Armando Cruz
